Introductory.

We have much pleasure in submitting to the trade, and general public, our new catalogue of goods manufactured at our potteries, and trust it will prove advantageous to both our clients and ourselves. We also take the opportunity of thanking our numerous customers for their past favours, and hope by our attention to merit their future support.

MASHMAN BROS. LIMITED

Delivery.

Loads are delivered promptly in the city and all suburbs, including Manly, Parramatta, and district; also to districts between Granville and Liverpool. Smaller orders will receive our earliest attention, but must necessarily wait until we are delivering in same locality.

Railway and Shipping Orders.

While we take every care in the selection and packing of goods, **no liability can be accepted, and no allowance made** for goods broken or damaged in transit. Crates and cases (when required), charged at cost.

Special Orders.

Three or four weeks notice is required for manufacture when goods have to be specially made.

Terms.

Cash in 30 days, or on demand. To receive attention, and prevent misunderstanding, it is necessary that orders from unknown correspondents should be accompanied by cash, or trade and bank references.
